Unlock the potential of this exceptional 774sqm property located in the sought-after Weston community.

The original home, being sold as-is, requires a full renovation. Whether you choose to renovate the existing structure into a family home, demolish and build your dream house, or leverage the opportunity for investment, the potential here is immense.

The existing home features a classic two-bedroom layout with a spacious lounge room, separate dining and internal bathroom. Externally you will find a laundry and toilet with the added convenience of side access to a 7m x 6m double garage.
